The Rebel runners defeated Buckfield by a score of 27-23 this past Tuesday. In what was undoubtedly the most exciting race of the year, Telstar's depth paid big dividends. Steve Jack of Buckfield placed first in a time of 14:16, a new course record. He was followed by: 2. Eugene Lucas (B); 3. Eric Dombkowski (T); 4. Bill Murphy (T); 5. Steve Blanchard (T); 6. TELSTAR'S J.V.'s CONTINUE STREAK WITH 20-0 VICTORY OVER LEAVITT MONDAY

Telstar's Rebel J.V.'s upped their perfect record to 4-0 with a sound trouncing over the Leavitt J.V.'s on Monday.

Following a scoreless first period the Rebels scored when Ricky Mills took a hand-off from Duffy Ellsworth and scampered across the goal line from two yards out. The scoring drive covered 70 yards in 13 plays of which Mills picked up 51 yards rushing.

In the third quarter, Bruce Swan, defensive middle guard, ripped the ball from the grasp of the Leavitt quarterback, and the Rebels went on in for the score. The Rebel score came on another Ricky Mills off tackle slant for nine yards. This time Chris Olson rushed for the two points, and Telstar got some breathing room at 14-0.

Telstar's final score came late in the fourth quarter as defensive halfback Duffy Ellsworth fell on a Leavitt fumble in the end zone, and again the rush failed making the final score, 20-0.

Telstar's defensive unit, led by front line stalwarts Jeff Fleet, Bruce Swan, Brad Wight, Chris Olson, and David Webster repeatedly threw Leavitt runners for losses. The defensive secondary led by Mike Dunn, Ellsworth, Hall, and Mills also kept Leavitt's passing game in check.

Fullback Ricky Mills picked up 114 yards rushing on 23 carries and halfback Chris Olson picked up 93 yards on 12 carries including a very neat 47 yard run in the third quarter.

The scoring:
Telstar 0 0 0 0 20
Leavitt 0 0 0 0 0

(T) Mills 3 yd run (rush fail); (T) Mills 9 yd run (Olson rush); (T) — Ellsworth recovered fumble in end zone (rush failed).

COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

The sewer user charge recently sent out was arrived at by averaging the yearly consumption of water for those that had water meters that length of time. For those who did not we had to use the information available.

The annual three-day convention for municipal officials is Oct. 17-19. The Town Office will be closed Wednesday to allow the office staff to attend. That will be the day sessions are to be held on new laws pertaining to Town Clerks. We feel it is very important to be represented at these, as they effect election law changes along with all the other aspects of the Clerk's duties.

We have motor vehicle registration forms for 1974. Many who leave for the winter months like to have this done before leaving. Also special plate numbers should be secured prior to November.

HISTORICAL SOCIETY HAS RECORD TURN-OUT FOR 1st MEETING IN NEW HALL

There was a record turnout at the October meeting of the Bethel Historical Society, held for the first time in the Meeting Hall of the Moses Mason House. The finishing touches have yet to be completed in the Hall, but it proved to be eminently satisfactory nonetheless and in the future will serve its purposes—many purposes—well indeed.

Miss Margaret Joy Tibbets, presiding over the meeting, made a gracious speech of thanks to the group representing the Bingham Foundation—Dr. Sidney Davidson, Mr. Walker Cain, architect; and Mr. Thomas Moore, decorator. Dr. Davidson complimented the Society on its progress to date and enumerated remaining problems.

The portrait of Mrs. Moses Mason was exhibited, having been donated by the estate of Daniel and Ada Durell with the stipulation that it be hung in the parlor of the Moses Mason House. The portrait of Moses Mason himself supposedly still exists although there is no record of its present location. If anyone has any knowledge of its whereabouts, or any clue which might lead to such knowledge, the Bethel Historical Society would be most grateful to have it.

NORTHWEST BETHEL

— Mrs. Louise B. Chapman, Corres. —

As each season comes and goes, there seems to be a change, not only in the weather, but also in the person. A summer day is unburied and slow, time for playing and relaxing. Winter days are usually for getting a lot of things done, that somehow never seemed to get done during the summer. As the snow melts and spring rains bring the first flowers of the season to life, it's a time when you feel like starting a new year. After the winter months the days of spring come to us like the sun comes to the flower, reaching out and coaxing us to open up and get all the sunshine and warmth we can. A day in the fall seems to be made just for enjoying. It's for walking and not wanting to be inside. It's hearing the crackle of leaves under your feet as you walk across the lawn. It's smelling all the freshness that Mother Nature has to offer. Fall is for being outside, not inside, it's for breathing, smelling, hearing and listening. As the cranes of fall overtake you, it's not hard to think of fall as the season that is made to order.

GREENWOOD CITY

— Mrs. Colista Morgan, Corres. —

Jack Frost has marched through our valley. We felt his crisp breath in various ways along the country roads. It is easy to trace his path among the goldenrod and asters.

My vines and flowers bowed as he passed. Therefore I have spent some time cleaning away the blackness on his trail. Even so we may feel at times a brief touch of June while all around us is the magic of fall. The air is chilly without being cold, a kind of heady briskness that sends the blood singing to the brain.

By morning and by night now the birds gather to the call of distance. Alone or in groups the fly catchers head to Central America, the purple martins to Brazil, and the Canada geese down the great Mississippi flyway; stopping here and there, craning their necks cautiously forward, as they are weighed down by fatigue of a long night's flying.

In a short time our landscape has turned one of the great corners of the year. It's a different world. The arc of the sun is now a leftover of its midsummer sweep and heat.

October always seems new in New England; it means a dazzling glow of light beneath trees that are more golden than the sun itself. There's beauty in it; a lovely souvenir that each heart can keep for remembering. The blue hills dream in smoky haze. The landscape changes, marsh grasses shine and move under the skin of clouds. Such miraculous modes of light are here in the valley. Nature has a way to find the peace that is always there waiting within each one of us.

Autumn has unfolded its display of colors more suddenly this year it seems to me. Will it last long? I like it when a few trees assume

bright crimson or red and stand contrast to the remaining green once or pasture maple blazes out after a night of abandonment. How pretty to see in the midst of evergreen a tree standing in gold and red, like a sentinel; the Painter having touched only certain ones, building up a grand finale, whetting our senses anew each unfolding day.

As I have worked out this week I have noticed the shimmering haze on the hillsides but a golden platter of sun shown in the deep blue sky. Working amid the color on the maples and the birches soft and subdued was more fun than work.

Some night soon if you go out under the stars you may hear as you savor the chill, the wild geese giving their faint call as they wing their way southward as gently as mist on a sunny morning.

On a crisp, breezy night When the sky is full of stars And an orange-yellow moon Sails serenely among the stars, One may hear the eerie calls As the wild geese wing their way Along the trails to southland skies. Their dark shapes flash across the moon.

As powerful wings drive them on In response to age-old instinct As the squadrons flash along. Sometimes one does not see them On a dark cloud-covered night. But the calls out of the darkness Tell us Nature's time is right. They confirm the purpose of all life And the sureness of established plan.

Round Mountain Grange News

Round Mountain Grange has had a very busy summer. All regularly scheduled meetings were held on the first and third Mondays of each month. During this time we observed

ed Past Masters Night, CWA Night, and Youth Night. Members from various Granges helped us make these meetings a large success.

In August we held a Grange Fair and Food Sale at our Hall. As we did very well on this one we hope to have another Fair next summer. We are striving to obtain enough money to paint the outside of our building.

Last, but by no means least, comes the greatest event of all, our suppers, which are held every other Saturday night throughout the summer. We wish to say thank you to all who patronize our suppers, as well as to those who work so hard and faithfully to make them a success.

Now that fall has returned once again we must buckle down for a long hard winter of work which adds up to another successful Grange year.

On Monday, Oct. 1, we held election of officers for the ensuing year. They are as follows: Master, Ivy Philbrook; Overseer, Velma Cummings; Lecturer, Leah Deegan; Steward, Paul Buswell; Assistant Steward, Clayton York; Lady Assistant Steward, Marion York; Chaplain, Mildred Tetrault; Treasurer, Mary Rice; Secretary, Kathleen Bennett; Gatekeeper, Kathryn Deegan; Ceres, Abigail Buswell; Pomona, Miriam York; Flora, Jessamine Gould; and Executive Committee, Caroline Gould.

The installation of the above officers will be held at a special meeting on Tuesday, Oct. 16, at 7:30. The regularly scheduled meeting of Oct. 15 will also be held. All meetings will start promptly at 7:30.

On Thursday, Oct. 4, our Master Ivy Philbrook attended a meeting of a Highway Safety Committee at the Grange Home in Augusta. Miss Philbrook is a member of this committee which is headed by Harlan Robinson.

Hope to see some of you Grangers at the 100th session of the Maine State Grange in Augusta on or around Oct. 24. Kathleen Bennett.

UPTON

Mrs. Arline Bernier, Corres. — Among the camps occupied during the week end were the Cyphers, Tuckers, Chittums and Harris dwellings.

There was a lot of traffic during the colorful week end.

Mae Goodrum, who has moved to the Berlin area, was in town during the week end. Some of the Glenn Abbott family were guests there Sunday and the girls visited other friends in town.

Carroll Greenleaf of Norway called on relatives in town recently.

Richard LeComte is building a garage beside his house on Mill Street.

The Tuomons of Cape Cod were at their home on Blueberry Hill during the week end.

Elsie Fuller's brother called on them one day last week.

Roland and I went to Temple Friday to visit the Bergerons and attended Laurie's housewares party. After the party Laurie and I went to Fairfield Center to get a mate for my gander, Romeo. Saturday night Oscar, the white gander, was killed by a predator and we brought his mate, Daisy, down to the pen near the house. We keep a light on all night in hopes to prevent further loss.

Mr. and Mrs. Dale Thurston and family of Bethel were recent guests of Mae Goodrum.

The latest Mid-East Crisis is rather exciting. It fits perfectly with articles written in "Heartbeat" and many other publications in which authors have had prophecy more clearly revealed to them.

Because of the holiday, the minibus came on Tuesday this week. Seven passengers went on a trip to the Rangeley area to view the foliage.

GIRL SCOUT NEWS — All girls that were interested in Girl Scouts met at Casco Bank, Monday, Oct. 8. Twelve members were present. If you are interested in Girl Scouts, be at Casco Bank, Monday at 6 p.m. If you were a Girl Scout last year, bring your hand book. Dues will be the same as last year, 10 cents. If you come to Girl Scouts, bring your registration dues, \$2. Remember, meetings start at 6 sharp and end at 7:30. Troop Scribe Rebecca Stowell.

BROWNIE SCOUTS — We met for our first meeting at Bethel School Thursday, Oct. 4. Next week we will meet at the Congregational Church at 3:15 on Thursday. We sang songs and played games outside. Our leaders are Mrs. Brown, Mrs. Grover, Mrs. Vogt and Mrs. Feeney. There were only 14 girls present so please come this week if you want to join our Brownie Troop. — Mary Beth Feeney, Troop Reporter

NORTH PARIS

Willma Pierce, Corres. — What beautiful Indian summer days. It's too nice to stay indoors even to watch the baseball games.

Mr. and Mrs. James Abbott were given a wedding reception at the Ring-McKeen Legion Home on Oct. 6.

Mrs. Florence Abbott is a surgical patient at St. Mary's Hospital and is gaining.

Doris Lawrence, Mildred Hazellon and Mr. and Mrs. Joe Kalinowski went on the Senior Citizens foliage tour Monday.

John O'Hearon is unable to attend school due to an infected foot, which he doesn't like.

Lole O'Hearon and Eveline Barrett were at the Kalinowskis Tuesday.

Several attended Fryeburg Fair last week between the drops. The 4-H club had an exhibit as did Herbert Stevens.

CARD OF THANKS — Words cannot express my deep appreciation for all the cards, letters of encouragement, flowers, gifts, and money I received while I was in the hospital and since my return home. It means so much to know you have so many friends.

Special thanks go to my family, including my foster son, Richard Littlefield, who have and still are doing so much for me.

TELSTAR NEWS

For those of you who did not make the home football game last Saturday—you missed another Telstar victory. You also missed the presentation of a fantastic half-time show by the marching band, majorettes, color guard and drill team.

But don't worry the band will be back at this Saturday's game to show you their stuff (weather permitting of course!).

The Library Club will also be selling food at the game. So, buy a hot dog and support the Library Club.

The Junior class is sponsoring a junior high dance on Friday evening.

The cheerleaders—junior varsity and varsity are practicing together this week. The two squads will be cheering as one this Saturday at the home football game.

The Drama Club met Tuesday to make plans for future productions and the newspaper staff expects to have the first edition out before Thanksgiving. We are looking forward to another Drama Club production and of course, the first edition of this year's newspaper.

TELSTAR TAKES MEASURE OF MADISON IN RUGGED GRID CONTEST

Most Telstar tallied in the opening period and made it stand up for a win over Madison High in a rugged Mountain Valley Conference football skirmish Saturday afternoon. It was the sixth straight victory for the unbeaten Rebels and extended their two-season win string to 11. It was the initial setback for the Bulldogs after five consecutive successes.

The only scoring drive of the tilt was set in action after Telstar took a punt on its own 44. The Rebels went the distance in seven plays, culminated by Paul Farrar's 33-yard pass. Gary Wight kicked the extra point and as it turned out the score was done for the day.

The key play in the scoring drive was on a third and six situation as quarterback Peter Blake picked up 14 yards and a first down.

The winners picked up 194 yards on the ground while Telstar drove the Bulldogs to just 20 yards on the ground. Big gains for the Rebels were: Farrar, 60 yards; Gary Brooks, 64 yards; and Blake, 14 yards.

Following a great team effort on defense were Alan Seames, Tim Rosenberg, Gerald Broomhall, Randy Olson and Wight.

At J. Anzele, Bob Norton, Jack Lezer and Bill Linkletter were in action on defense for Madison.

Star travels to Lisbon Saturday for a 130 contest.
